Nombre del estudiante:	Fecha:	Docente:
_____	_____	_____

1. Objetivo de aprendizaje

Reconocer y utilizar el presente simple en inglés para expresar hábitos, rutinas, hechos generales y actividades cotidianas, aplicando correctamente las reglas de la tercera persona del singular (he, she, it).

2. Recordemos: ¿cuándo usamos el Present Simple?

Usamos el Present Simple principalmente para:

- Hábitos y rutinas: I get up at 6:00 a.m. (Me levanto a las 6:00 a. m.).
- Hechos o verdades generales: Water boils at 100°C. (El agua hierve a 100 °C).
- Actividades frecuentes: We play soccer on Saturdays. (Jugamos fútbol los sábados).
- Gustos y preferencias: She likes music. (A ella le gusta la música).

3. Estructura básica

Afirmativa:

I / You / We / They + verbo en forma base → They play soccer.
He / She / It + verbo con -s, -es o -ies → She plays soccer.

Negativa:

I / You / We / They + do not (don't) + verbo base → They don't play soccer.
He / She / It + does not (doesn't) + verbo base → She doesn't play soccer.

Interrogativa:

Do + I/you/we/they + verbo base...? → Do they play soccer?
Does + he/she/it + verbo base...? → Does she play soccer?

4. Reglas de la tercera persona del singular

Cuando el sujeto es he, she o it, el verbo cambia en las oraciones afirmativas:

Regla	Ejemplo	Oración
1. Regla general: agregar -s	play → plays	He plays basketball.
2. Verbos terminados en -s, -sh, -ch, -x, -o: agregar -es	watch → watches / go → goes	She watches TV. / He goes to school.
3. Consonante + y: cambiar y por -ies	study → studies / carry → carries	She studies English.
4. Vocal + y: solo agregar -s	play → plays / enjoy → enjoys	He enjoys music.
5. Forma especial	have → has	She has a dog.

5. Importante: cuidado con DOES

En preguntas y oraciones negativas con DOES/DOESN'T, el verbo principal vuelve a su forma base. Por ejemplo: She studies English. → Does she study English? / She doesn't study English. No debemos decir: Does she studies...?
